Testimonials

"We are using Spine Payroll Software of M/s. Spine Technologies for past ten years. Initially, we had few corrective alterations to customize the Spine Software with our needs. Our experience is that, as and when we asked for help, the technocrats of the Spine extended their hand in time to resolve our queries without loss of time. We have no hesitation in recommending them to anyone who may need spine software and services."

B. A. Savant, General Manager,
(Corp, Personnel)

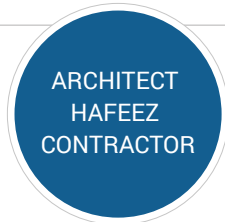

"MRVC would like to place on record its Appreciation of the services provided by SPINE TECHNOLOGIES to this Organisation since 2008. The Software Functioning well and meets the purpose for which it was availed".

Chirstine Drego,
DGM/F

"It has been a wonderful experience with your team since the beginning from the marketing team till your support team. You have always shown quick response and remedy even to smallest of the queries. Also your software is very user friendly and the best part are your updated version as soon as there is any change in any statutory part immediately it reflects in your update versions".

Aashna S. Jain,
Manager Human Resources

"We have been using Spine since last 17 years & our experience with you has been really excellent. Whenever required, we have been getting timely upgrades, support & services from your team.

We sincerely appreciate your services & wish that you continue to keep it up. We are proud to be associated with Spine Technologies".

Adil Rafique Ghazi,
Accounts Assistant

"My special thanks to you and your team for your support and excellent problem solving skill. Spine Software is working smoothly, its EXCELLENT Software. You are doing wonderful job. We are especially appreciating your suggestions. Your time and effort you put is very worthful. It is a joy for us to work with such dedicated and talented team. Again I would like to take this opportunity to thank you for your support & cooperation."

Dr. Shilpa Karnik,
Administrator

"I am using Spine Payroll since last almost Five years and its been a very god experience with Spine Technology, very dedicated staff and hard working appreciated all their support through out the years.

Keep up good work. Spine software is very human friendly and easy to get ride on it. I would definitely refer this software to my contacts if at all any one ask for such software".
